Subject : JUNIOR SWS Sprint CUP - RACE FORMAT

Dear Competitors,

Please note the Junior SWS Sprint Cup Event will run to a unique format to accommodate more drivers on **June 20<sup>th</sup>, 2023**.

**Qualifying Groups A & B**

**Heat 1 & Heat 2**

**B Final & Super Final**

- Maximum Entry per event 56 drivers
- **Kart Draws:**  
There will be a Kart Draw for the two Qualifying sessions only. For the **Heats & Finals** – kart numbers will be **randomly assigned** for the starting grid positions for each of the heats & finals, by Organisers in advance. The Starting Grid positions for each of the heats/finals will be accompanied with the kart number to be used in that specific heat/final.
- **Qualifying:**  
Drivers will be split into two groups randomly for QUALIFYING - **Group A & B**.
- **Heats:**  
Once both groups have completed their Qualifying sessions, the Drivers are then selected for two heats (**Heats 1 & 2**) based on the following criteria:

**Heat 1:** Will be for Drivers who qualified in **ODD NUMBER** positions during **Group A qualifying** & for those drivers who qualified in **EVEN NUMBERS** positions during **Group B's Qualifying**. Drivers will start the heat as per the qualifying order from their respective Qualifying group.

Example: The Driver who qualified 1<sup>st</sup> (Odd number) in **Group A** qualifying, will Start from Pole for Heat 1. The driver who qualified 10<sup>th</sup> (even number) in **Group B** qualifying – will start 10<sup>th</sup> for **heat 1**.

**Heat 2:** Will be for Drivers who qualified in **ODD NUMBER** positions during **Group B qualifying** & for those drivers who qualified in **EVEN NUMBERS** positions during **Group A's Qualifying**. Drivers will start the heat as per the qualifying order from their respective Qualifying group.

Example: The Driver who qualified 1<sup>st</sup> (Odd number) in **Group B** qualifying, will Start from Pole for **Heat 2**. The driver who qualified 10<sup>th</sup> (even number) in **Group A** qualifying – will start 10<sup>th</sup> for **Heat 2**.

- **Finals:** There will be two finals and drivers will qualify for either the **B Final** or **Super Final**

**Super Final** – The top 50% of the drivers from each of the HEAT Races 1 & 2 will automatically qualify for the Super Final. Example: if there was 20 karts on the grid, then drivers finishing P1 to P10 from either of the HEAT Races.

**B Final** – Drivers finishing in the lower 50% from HEAT Race 1 & 2, will qualify for the B Final. Example: if there were 20 karts on the grid, then drivers finishing P11 to P19 from either of the HEAT Races will take part.

- In the event we have an 'ODD' Number of total entries for this event, the Organisers will consider the Top 50% from Heats 1 & 2 - based on the Heat with the EVEN Number of drivers. Example: If we have 45 drivers, there will be a group of 23 and 22 drivers. Organisers will only send 22 drivers to the Super Final (the top 11 from each)

**The Top two drivers from the B Final** - will qualify for the **Super Final** and occupy the last two grid slots.  
(The Winner of the B final will start on the inside grid position of the final Starting Row)

- **Starting Grids For Heats & Finals**

Starting positions for each of the **HEATS & FINALS** – with their allocated kart Numbers & displayed on the Official Notice board. An example of how this system will look is shown in **Appendix 1 - 4** attached. This will change according to the number of entries. This Appendix is purely as an Example.

**Important note!** : Since there will be always two drivers with same finishing results from their respective heats, to decide who starts on the **INSIDE GRID position** for their given **Starting Row** – this will be determined by which driver was '**Faster**' during Qualifying – irrespective of which Group they were in. The faster driver from the two drivers Qualifying results - will start from the **INSIDE GRID** position for any given **STARTING ROW**.

- **SWS Points – Each driver will receive two sets of SWS Points:**

- (1) Drivers will receive their first set of points based on their classified result from their respective Heat Race
- (2) The Second Set of SWS points will be after the conclusion of the Super Finals & B Final - combined to give the Overall results of the two finals, as per **Appendix 5** attached

- **Prize Giving:**

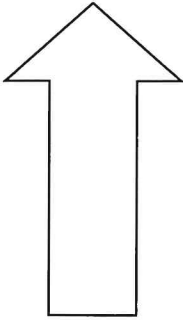

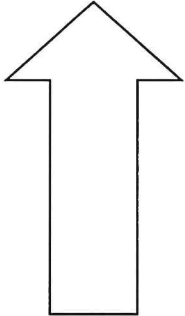

There will be trophies awarded to the **top 3 drivers** from the **Super Final**

  
Yours faithfully,  
DAVID BRIGHT  
Race Director
