

BAMBINO PRACTICE AT OUTDOOR KARTDROME CIRCUIT

IMPORTANT TERMS AND CONDITIONS #v2

Dear Drivers, Parents, and Teams,

I hope this message finds you well. We wanted to inform you about some updates and requirements for Bambino practice days at the Dubai Kartdrome. These changes have been made to ensure the safety and competence of all Bambino drivers on the Outdoor Kartdrome circuit.

- 1. Bambino drivers who wish to drive on the Outdoor Kartdrome circuit must have completed a minimum of 5 days driving at the Indoor Kartdrome circuit.** This requirement is in place to ensure that drivers have enough experience before transitioning to the outdoor circuit.
- 2. Overseas & other UAE Circuits Bambino drivers:**
Drivers who have not been to the Indoor Kartdrome but have experience at other circuits in the UAE or outside of the UAE, **they will need to provide a written confirmation from their circuit or recognized Bambino series.** This confirmation should confirm their ability to drive safely and competently.
- 3. Fast Track Assessment:**
If a driver has experience but cannot provide supporting results or written confirmation, we offer a Fast Track Assessment for 295 AED. This assessment involves a 15-minute session with one of our in-house instructors.
- 4. Bambino Tuition:**
In cases where Bambino drivers do not meet the minimum requirement of Indoor sessions or cannot provide supporting documents, but still wish to drive on the Outdoor Circuit, they can opt for exclusive 1-to-1 tuition for one hour. **This one-hour session, priced at 995 AED, includes an assessment by a Kartdrome instructor to determine if the Bambino driver is competent and safe enough to drive with others on the Outdoor circuit.** Please note that prior booking will be required to book the Kartdrome instructor.
- 5. Bambino drivers who have participated in the 2022/23 Dubai Bambino Cup or have practiced on the Outdoor Circuit without any incidents are exempt from these requirements.**
- 6. Track Walk:**
On the practice day, it is essential for Bambino drivers, parents, and teams to arrive in advance and conduct a track walk. This track walk will provide guidance on pit exit, pit entry, and the direction to drive on the track. We recommend being at the Kartdrome at least 30 minutes prior to the first scheduled session.
- 7. Daily Safety Briefing:**
Additionally, there will be a mandatory safety briefing for all Bambino drivers, parents, and pushers. This briefing will take place 15 minutes prior to the first Bambino practice session. It is important to attend the briefing as wristbands will only be issued after its completion. If the first briefing is missed, the next briefing will not be until the coordinators are available.
- 8. Pace kart lap at the start of each Practice Day:**
To familiarize Bambino drivers with the track, there will be a pace kart lap driven by Kartdrome staff at the start of each practice day. This lap will serve as a demonstration for the Bambino drivers and help them get acquainted with the track. If a Bambino driver arrives later and misses the pace kart lap, they will start practice last with our pace kart in front for one lap in the next practice session. **It is recommended to arrive at the Kartdrome 30 Minutes prior to the first scheduled session.**
- 9. On Track Pushers' mandatory:**
It is mandatory for all Bambino drivers during practice and races to have a pusher on the track to assist them. Pushers must sign a disclaimer at the reception and always wear a hi-viz vest.
- 10. Age Criteria:**
Please note that Bambino drivers must be between the ages of 5 and 8 years old with own Bambino Kart, and a valid ID proof is required.
- 11. Annual Silver Membership:** 180 aed is mandatory
- 12. Regular Practice Fees:**
Regular 185 aed (Outdoor circuit) / 130 aed (Indoor circuit) (**excluding** official & exclusive practice)
- 13. Rental Gear:** 60 AED for those drivers requiring the use of Dubai Kartdrome's Helmet & Suits.

We appreciate your understanding and cooperation with these updated requirements. They are in place to ensure a safe and enjoyable experience for all Bambino drivers at the Dubai Kartdrome. If you have any questions or need further clarification, please do not hesitate to reach out to us.

Thank you,
David Bright
