**Subject: Pit Stops, Bonus Laps & Master Category Numbers.**

Dear Team Managers, Captains, and Drivers,

With reference to Bulletin #3- Introduction of the Masters Category, we have decided to make the following changes in the regulations:-

### **Bonus Laps- Regulation 13b**

- One Bonus lap will be provided only to the teams with an average weight of 95kgs & over. There will be no bonus laps for teams with an average weight of 90kgs.
- Master Category Teams will be numbered from 40 to 54, whilst regular teams will be numbered 1 to 29. This numbering system will help clearly distinguish Masters teams from Senior teams.

### **Mandatory Pit Stops- Regulation 9e**

- Minimum mandatory pit stops for the race for each team has been revised from 6 to 8.

We look forward to your active participation.

Best Regards,

**DAVID BRIGHT**
