Subject: Bulletin: #2- Track Limits, Bonus Laps & Safety Car

Dear Team Managers, Captains, and Drivers,

Please note the following updates for the Trophy 6HR Race:

Track Limits – Regulation 10J

For this event only – Organisers have decided that there will be no track limits enforced at **Turn 17**.

Bonus Laps – Regulation 13b For Master Teams receiving Bonus Lap, this has been revised from 1 lap to **2 bonus laps**.

Master Category drivers must meet a minimum weight of 95 kg at all times. Any Master driver found below the minimum weight will receive the applicable underweight penalty, and all bonus laps will be deleted.

Safety Car – Regulation 10d - Pit Exit has been adjusted to allow a smoother rejoining to the track. Therefore, **PIT EXIT will OPEN** when the Safety Car and ALL of the karts have safely passed **TURN 5**

We look forward to your active participation.

Best Regards,

DAVID BRIGHT
