WEIGHT LAP BONUS - Regulation 13b: To compensate for heavy drivers, the Organizer will credit laps to the teams with an average weight over **85kgs**. Teams falling under the bonus under the Bonus Group's shown below will be credited laps in the race.

95+ kg up to 99kg kg	Bonus Group 1	:	2 Laps will be credited
100 kg +	Bonus Group 2	:	4 Laps will be credited

This procedure will only start after **50%** of the race distance has been completed and teams benefiting will be listed in a Bulletin, which will be posted onto the Official Notice Board.

MASTER Category:

The Organisers shall apply weight-based compensation in the form of bonus laps to the "Master Teams," as determined by the Event Regulations. Eligible Master Teams shall be awarded one (1) bonus lap.

For the purpose of weight compensation, Master Teams may use ballast to ensure that any driver weighing less than ninety-five (95) kg achieves a minimum racing weight of ninety-five (95) kg, inclusive of race gear. Where ballast is correctly declared and approved, the driver shall be deemed to weigh ninety-five (95) kg.

NON-MASTER (Overall) Category:

Teams that do not qualify for the Master category, but whose drivers weigh ninety-five (95) kg or above shall also be awarded one (1) bonus lap based on the average team weight of 95 kg (example: Team is eligible for weight-based bonus lap calculations based on the actual recorded weight of each driver, including race gear, divided by the number of drivers in the team).

For such teams, no driver's weight may be increased to ninety-five (95) kg through the use of ballast for the purpose of calculating eligibility or compensation. Eligibility shall be determined solely based on each driver's actual weight, including race gear, as recorded at official weighing.

Any use of undeclared or unauthorised ballast shall render the team ineligible for bonus laps and may result in further penalties at the discretion of the Clerk of the Course.

Bonus laps remain subject to verification and confirmation by the Organisers. This procedure will only commence after fifty percent (50%) of the race distance has been completed. Teams benefiting from bonus laps will be listed in a Bulletin posted on the Official Notice Board.

Weight lap bonuses are based on each driver's weight plus race gear at the beginning of the event and must be maintained throughout the event at all weight checks.

***Drivers in the Master's Category will be issued a Blue & White number plate to distinguish them from the Senior Category.**

***Should any driver retire from the race and their minimum drive time has not been met, the teams Bonus Laps will be recalculated and adjusted by the timekeepers.**

HELMET VISOR & VISOR STRIPS:

Tinted or Smoked Visors will not be permitted after 5pm on Saturday, **October 24th 2026**. Only Clear & Yellow night Visors will be accepted until the end of the Race. Visor strips provided by Dubai Kartdrome are mandatory. Teams using wrong driver strips will have 10 mins to bring a driver back in the pitlane once informed.
